"We recommend that the building identified as the insane building be torn down and be rebuilt instead of being remodeled.

"We recommend that along the highway approaching the county home signs be placed warning motorists that they are approaching the county home to safeguard the old people walking along the highway.

CHEST ELECTS DONALD SWOPE NEW PRESIDENT

Attorney Donald M. Swope was elected president of the Gettysburg Community Chest Monday evening at a meeting held in the fire engine house on East Middle street.

Swope, who served as vice president and fund drive chairman last year, succeeds Burgess William G. Weaver as president of the chest. Retiring President Weaver presided at Monday's meeting.

Re-elect Secretary

Mrs. Fred G. Pfeffer was renominated as executive secretary and Richard A. Dreas was renominated as treasurer.

Most of the meeting was occupied with a discussion on the policies that should guide the Community Chest in the admission of new organizations into the chest.

The discussion was started by submission of a request from the United Defense Fund, successor to the USO of World War II, for membership.

No action was taken on the request, which was being made for the second time when it was presented Monday night. A request made about a year ago, just about the time the annual community chest drive was beginning, was turned down and the United Defense Fund was given permission to conduct its own drive if it wished.

Long Discussion

No drive was made than although officials of the United Defense fund, in presenting their request Monday night, said they would probably have to put on a campaign here this year if they cannot be admitted to community chest.

Youngest Red Cross Worker In County Is Aspers Boy, Aged 7; Added Own Gift To Collections

The story of the Adams county Red Cross's youngest fund solicitor, seven-year-old Richard Rothenhoefer of Aspers, was revealed today by chapter officers.

Richard not only solicited contributions from 10 homes in his community along but accompanied his mother to 44 homes in the Red Cross drive and then chipped in \$3 of his own in hoarded nickels and pennies as his cash contribution.

Richard's services for the Red Cross started last year when he helped his mother with her canvassing in Aspers but this spring he took over part of the territory himself. Following instructions carefully, he wrote the amount of the donations on the cards provided by the Red Cross and brought the money home after each donation. Then with a fresh supply of cards, window stickers and lapel buttons—and his purse—he would start out again. His final total of his "solo" trips was \$9.

"He was so proud and so willing to help the Red Cross, I just couldn't hold him back," his mother wrote the Red Cross office. "Some nights he didn't get to bed until 10 o'clock

BOROUGH AND TOWNSHIP SEEK TO PARTICIPATE IN SCHOOL CASE

Attorneys argued Monday afternoon that York Springs and Latimore township should be allowed to enter the argument between the upper portion of Huntingdon township and the remainder of the township "for the preservation of their own self-respect."

The statement came in a brief presented by Attorney Eugene Bullett for York Springs in an argument before the court on whether or not Latimore and York Springs school districts should be allowed to enter, as additional defendants, the proceedings brought by upper Huntingdon against the Huntingdon township school system.

Upper Huntingdon is asking permission to set itself up as a school district independent of the remainder of Huntingdon township.

200 Sign Petitions

A petition signed by approximately 200 patrons in the upper (Idaville) section of the township argues that its ties are with Bendersville and Biglerville rather than York Springs, and asks permission to separate from the Huntingdon township district, which with York Springs and Latimore township make up the North Adams joint school system.

Upper Huntingdon argued that its children should go into the Upper Adams joint school system and attend the Bendersville grade and Biglerville high school. In the course of the original petition the upper Huntingdon residents compared the Upper Adams and North Adams school systems and alleged that the Upper Adams system provided "far superior education."

Latimore and York Springs then asked to be admitted to the case as joint defendants and upper Huntingdon moved to prohibit them from entering the case either as party defendants or "friends of the court."

Lawyers File Briefs

The various motions filed by attorneys for the districts led to argument Monday afternoon before the court. John C. Swezey, Harrisburg, attorney for Upper Huntingdon, entered a 29-page brief listing technical objections against the entry of Latimore and York Springs into the case. Attorney Bullett for York Springs and Attorney J. Francis Yake, Jr., for Latimore entered briefs raising technical reasons why their clients should be admitted in the case.

Besides the technical points, Bullett also claimed that "there is set forth the amazing argument in the original petition of upper Huntingdon" (Please Turn to Page 2)

Allied Spokesman Charges Reds Do Not Intend To Negotiate An Armistice; Hold Sharp Session

Seoul, Korea, April 22 (AP)—A sharp 16-minute truce session an Allied spokesman told Communist negotiators today: "Your attitude clearly indicates you have not come to these conferences to negotiate an armistice."

Col. Don O. Darrow made the statement after North Korean Col. Chang Shun told him to "give up your illusions" about banning Red airfield reconstruction during a Korean armistice.

Darrow said the Communists appeared more concerned with the U.N. command's attitude "than with solving problems."

No problems were solved in the session dealing with means of supervising a truce.

The fate of armistice talks appeared to hang on another group of staff officers debating methods of exchanging prisoners of war. The officers met in executive session for an hour and 40 minutes. An Allied spokesman said they were "still exploring" possible solutions.

Both groups meet again at 11 a.m. Wednesday (9 p.m. EST, Tuesday).

Open New POW Camps

In the prisoner session the Allies handed the Reds a list of six new prisoner camps in South Korea. They are in addition to camps on Rocky Koje island, scene of two bloody riots in recent months.

A U.N. spokesman said some prisoners already have been transferred from Koje, which houses 130,000 POWs and 30,000 civilian internees. The army said it expected the move would ease "crowded conditions encouraging intrigue and disorder" and would lead to "improvement of discipline and control of unruly Communist agitators among the prisoners."

Lt. Col. Albert M. Butler, who handed the Communists a map of the new camps, said they are situated south of Masan, west of Pusan, southeast of Yongchon, south of Nonsan, south of Taejon, and one Cheju island.

Butler said the Allies would report later the names and nationalities of prisoners moved to these camps.

The Legion is scheduled to provide the firing squad at this year's National cemetery program May 30.

Sheads urged all members to participate in the parade and cemetery exercises held to honor the fallen soldiers of the United States. "As veterans," he said, "we above all, should take part in these activities to honor our departed comrades."

Washington, April 22 (AP)—A resolution asking impeachment of President Truman for seizing the steel mills was introduced in the House today by Rep. Hale (R-Me.).

Washington, April 22 (AP)—Gen. Carl A. Spaatz, former air force chief of staff, told senators today a scheduled slow-down in building an 143-wing air force was "an inexcusable risk."

Any stretching out of the program aimed at surpassing Soviet air power, he said, increases the time in which "sparks can be set off to explode World War III." Spaatz, who retired in June, 1948, said "a lot of time" already has been wasted since the first atomic explosion in Russia. He testified before the Senate (Please Turn to Page 2)

BOROUGH AND TOWNSHIP SEEK TO PARTICIPATE IN SCHOOL CASE

Attorneys argued Monday afternoon that York Springs and Latimore township should be allowed to enter the argument between the upper portion of Huntingdon township and the remainder of the township "for the preservation of their own self-respect."

The statement came in a brief presented by Attorney Eugene Bulleit for York Springs in an argument before the court on whether or not Latimore and York Springs school districts should be allowed to enter, as additional defendants, the proceedings brought by upper Huntingdon against the Huntingdon township school system.

Upper Huntingdon is asking permission to set itself up as a school district independent of the remainder of Huntingdon township.

200 Sign Petitions

A petition signed by approximately 200 patrons in the upper (Idaville) section of the township argues that its ties are with Bendersville and Biglerville rather than York Springs, and asks permission to separate from the Huntingdon township district, which with York Springs and Latimore township make up the North Adams joint school system.

Upper Huntingdon argued that its children should go into the Upper Adams joint school system and attend the Bendersville grade and Biglerville high school. In the course of the original petition the upper Huntingdon residents compared the Upper Adams and North Adams school systems and alleged that the Upper Adams system provided "far superior education."

Latimore and York Springs then asked to be admitted to the case as joint defendants and upper Huntingdon moved to prohibit them from entering the case either as party defendants or "friends of the court."

Lawyers File Briefs

The various motions filed by attorneys for the districts led to the argument Monday afternoon before the court. John C. Sweezy, Harrisburg, attorney for Upper Huntingdon, entered a 29-page brief listing technical objections against the entry of Latimore and York Springs into the case. Attorney Bulleit for York Springs and Attorney J. Francis Yake, Jr., for Latimore entered briefs raising technical reasons why their clients should be admitted in the case.

Besides the technical points, Bulleit also claimed that "there is set forth the amazing argument (in the original petition of upper (Please Turn to Page 2)

Allied Spokesman Charges Reds Do Not Intend To Negotiate An Armistice; Hold Sharp Session

Seoul, Korea, April 22 (AP)—A report of white-clad Chinese Communist cavalymen on the central Korean war front puzzled U. S. Eighth Army officers today.

Front line units said they spotted 200 riders in white moving toward Kumsong Monday afternoon. They said heavy artillery ripped the column to pieces.

Two other white-cloaked bands of 50 and 60 men were reported sighted in the area.

"We can't attach any significance to the report at this time," said an Eighth Army staff officer. "Intelligence officers are studying the details. All we have now are fragmentary reports."

He said the white uniforms possibly could be explained by the probability of snow in the mountains northeast of Kumsong.

Two Fronts Quiet

Communist cavalymen were last reported on the front shortly after the entry of Red China into the war in the fall of 1950.

The western and central fronts were generally quiet.

Allied warships and naval planes attacked both coasts of North Korea Monday. The U. S. cruiser Manchester and the U. S. destroyer Rupertus hurled 200 five-and six-inch shells into constantly besieged Wonsan on the east coast.

WARN DRIVERS TO STOP AUTOS FOR SCHOOL BUS

Motorists were warned today by state police of the Gettysburg substation to stop their automobiles for standing school buses taking on or discharging school children, or face prosecution.

"We have received a number of complaints recently that drivers are getting careless about stopping for school buses," Sgt. Joseph E. Temple said.

"Beginning immediately, the men of the Gettysburg substation detail will check closely on the highways of Adams county against violations of the school bus law, which requires every driver to stop his car when a bus is loading or unloading."

The law requires that drivers approaching from either direction must bring their cars to a complete stop, and remain stopped until the bus proceeds again.

"Motorists being slipping about a month ago," Sgt. Temple said. "Until that time, the law was being obeyed, and we had no complaints. The state police thought that motorists were 'smart enough' to obey the law. If they won't, then we'll see that violators are prosecuted," he said.

There have been no accidents caused by failure of motorists to stop for school buses, Sgt. Temple said. "We want to prevent accidents," he said. "That's why we are starting a check of drivers, to prevent accidents."

NINE TO FACE CODE CHARGES

Nine motorists are slated to receive ten-day notices to appear before Justice of the Peace John H. Baschore and answer to charges that they violated the traffic code. Five of them are charged with reckless driving.

Francis A. Rushton, Wilkes-Barre, has been charged by state police of the Gettysburg substation with overloading his truck, and a similar charge has been filed against Walter G. Miller, Copley R. 1, Pa.

Borough police charged Laben W. Strine, York, with failure to sign his name to his registration card. Lloyd Herring, Biglerville R. 1, was charged by state police with parking on Slicks avenue, on the battlefield, at its intersection with Route 15, "when it was practicable to leave it standing off the improved part of the highway."

COURT DENIES DIVORCE PLEA

Mrs. Kathryn Bosserman Fidler, East Berlin, will have to present evidence to overcome a legal presumption that she and her husband are living together as man and wife if she expects to get a divorce, according to an opinion handed down Monday by Judge W. C. Sheely.

Mrs. Fidler and her husband, Wilmer John Fidler, from whom she is seeking a divorce on grounds of infidelity, reside in the same house in East Berlin. According to the opinion, Superior court rulings state that "there is a general presumption that a husband and wife living in the same house live on terms of matrimonial cohabitation." The presumption can be met by "satisfactory evidence" that "the parties occupy separate apartments or have no access to each other," according to the opinion.

"Perpetual Bar" The opinion also states that when a wife "forgives" a husband for infidelity by admitting him to conjugal society after knowing of the criminal fact, that forgiveness provides a "perpetual bar" against a divorce. The court Monday also approved a petition of the Fairfield Manonite church to enter into a \$25,000 mortgage to improve the church and parsonage.

CHEST ELECTS

(Continued from Page 1)

Chest held that the matter would take much thought on the part of all, plus expressions from people of the community. The thought was raised that the Chest will probably have to seek a higher goal in its campaign for funds this year just to maintain the services now offered by the organizations receiving funds, because of increasing costs.

The thought was also presented that it is doubtful if a much greater amount can be raised by the Chest because "money is getting tighter."

No Action Taken Another suggestion was that it might be better to let United Defense Fund, or any other organization starting to raise funds in the county, hold a campaign to see what interest is shown locally to measure public interest. If successful it would argue for admission of the organization into Community Chest.

No action was taken on the request.

President Swope announced at the end of the meeting that the board will probably meet again next month, at a date to be chosen.

Huntington asking to be separated from Huntington township) that the social, economic, business and professional standards of the remaining area (lower Huntington, York Springs and Latimore) are so much lower than in their own area that the educational standards could be lowered to meet the lower community standards.

"Such an estimate of the educational possibilities of the citizens of a community such as York Springs community must be overcome if for no other reason than the preservation of the self-respect of a community. We should insist that the school district of York Springs be permitted to intervene now if for no other than of . . . having the statements removed from the record."

The argument before the court revealed that the matter will not be settled before the new school year starts in July.

Attorney Sweezy expressed the hope that the question of whether upper Huntington can be set up as an independent district be settled by July 1.

Judge Sheely told the attorneys that "by no stretch of the imagination can the matter be completed by then. It must go through all of the processes required by the law."

WARN DRIVERS TO STOP AUTOS FOR SCHOOL BUS

Motorists were warned today by state police of the Gettysburg substation to stop their automobiles for standing school buses taking on or discharging school children, or face prosecution.

"We have received a number of complaints recently that drivers are getting careless about stopping for school buses," Sgt. Joseph E. Temple said.

"Beginning immediately, the men of the Gettysburg substation detail will check closely on the highways if Adams county against violations of the school bus law, which requires every driver to stop his car when a bus is loading or unloading."

The law requires that drivers approaching from either direction must bring their cars to a complete stop, and remain stopped until the bus proceeds again.

Motorists began slipping about a month ago," Sgt. Temple said. "Until that time, the law was being obeyed, and we had no complaints. The state police thought that motorists were 'smart enough' to obey the law. If they won't, then we'll see that violators are prosecuted," he said.

There have been no accidents caused by failure of motorists to stop for school buses, Sgt. Temple said. "We want to prevent accidents," he said. "That's why we are starting a check of drivers, to prevent accidents."

In Wortz, Warrior started the first five and two-thirds innings and then gave way to "Fiscel" who finished and got the victory.

Sports Roundup

By WILL GRIMSLEY

New York, April 22 (AP)—Casual readers of the sports pages tend to regard George Weiss as a modern Croesus who sits astride a gold chest in the Yankees' plush Fifth Avenue office and buys baseball pennants as the fancy strikes him.

Actually the astute general manager of the world champions is a retiring, soft-spoken New Englander who insists, when prodded, that the Yankees' phenomenal success has been bought not by dollars but by hard work and pin-point organization.

"One of the biggest fallacies in baseball is that when one of our players wears out we simply go out and buy the best replacement possible," Weiss said yesterday as he relaxed in his lofty Yankee Stadium box.

"Did you know that between 1932 and 1948 we bought only two players? We paid Sam Rice \$25,000 for Joe DiMaggio and about the same time we paid \$25,000 for a pitcher, Rugger Adiriza, who never quite developed as we hoped."

"The men we've picked up since were principally as a defensive measure. First we got Johnny Mize from the Giants. The Red Sox wanted him. We got Johnny Hopp from the Pirates and John Sain from the Braves under similar circumstances."

"But you could hardly call these killer deals. These men have helped us, but they are veterans used only for part-time service. During the rest of the period we pulled men up from our own organization. If you tried to analyze the success of the Yanks, you'd have to start with our scouting system, the best. Then you'd have to take the careful, specialized training given the players in the minors to fit them into the Yankee pattern."

Scouts Valuable

Weiss, a 57-year-old native of New Haven, Conn., who couldn't make his high school team and who never played a minute of professional baseball, is credited with building the sprawling Yankee farm system, rated the best in the sport.

During his 20 years with the Yankees, the team has won 12 pennants and 11 world series. He is now working on his fourth straight championship.

"You have to credit the whole organization," Weiss said modestly. "Take scouts like Joe Devine and Bill Essick, who died last year. They sent us great talent—DiMaggio, Gerry Coleman, Gil McDougald and others."

FAIN FINALLY GETS STARTED AT THE PLATE

By JOE REICHLER

New York, April 22 (AP)—Figures never lie but statistical-minded fans must have wondered as they scanned the American league batting averages yesterday. And who could blame them?

What name do you think headed the list of hitters? George Kell? Ted Williams? Larry Doby? Ferris Fain? No, sir! It was none other than Gerry Coleman of the New York Yankees.

Coleman, who swatted a robust 249 and placed exactly 104th last year, was leading the pack with a .556 mark.

And what name was on the bottom of the list of about 200 hitters? Some wild swinging pitcher? Or some nervous, rookie reserve infielder? Not at all. Last on the list was none other than last year's batting king, Ferris Fain of the Philadelphia Athletics.

"Lucky And Unlucky"

Coleman, who never has hit 300 in his big league career, had collected 10 hits in 18 times at bat, hitting safely in each of his first five games. Fain, who hit 344 in 1951 was batting exactly .000. The fancy-fielding first baseman had come to bat his first 21 times without making a single safety.

The same question was put to Coleman and Fain but with a different approach.

"How do you account for your super hitting this spring? Coleman was asked.

"I've been lucky," the modest Coleman replied. "I'm just hitting them where they ain't. I'm swinging the same way and I'm using the same bat. The balls are just falling in."

Perfect Day Yesterday

The question was put a little more tactfully to Fain.

"I've been gosh-darned unlucky," the cocky Fain growled. "I'm just hitting them where they are. I'm swinging the same way and using the same bat. The balls are just going right at the fielders."

"I don't feel too badly, though. That's better than not being able to hit the ball at all. Sooner or later they've bound to fall safely. The breaks usually even up, you know."

All this took place before the Yankee-Athletic game. How did Coleman and Fain fare during the game, you ask? Just as you might suspect. Coleman failed to get a hit in four times at bat. Fain also was at bat four times. He collected two hits and drew two walks for a perfect day.

Re-Condition Field Wednesday Evening

Reconditioning of the local softball field at the Recreation park will be done Wednesday evening at 6 o'clock and all players and interested persons who will aid will be welcome. Those having rakes and shovels are requested to bring them.

Johnny Knox, softball league president, has announced the league meeting scheduled for Wednesday, April 30, has been postponed until Friday evening, May 2, at the Moose home.

A conflict with a dinner at the Moose home April 30 resulted in the change of dates.

INTERSTATE TO OPEN TOMORROW

Harrisburg, April 22 (AP)—The Class B Interstate league opens its season tomorrow night with prospects for a faster, harder-hitting and generally stronger circuit than last year.

Only two managers—Dutch Doran of the pennant-winning Hagerstown Braves and Whitey Kurowski of the 1951 second-place Allentown Cardinals—will be back.

Salisbury (Md.), which finished deep in the cellar in 1951, has a new working agreement with the Cincinnati Reds, while the Harrisburg Senators this year will have a partial working agreement with the Philadelphia Athletics.

Club executives were optimistic when they discussed prospects for the year and almost all agreed that veteran players rather than the usual run of rookies will be featured in the lineup.

"The draft of youngsters will be felt particularly hard by all lower minor league clubs," Hagerstown General Manager Rufus K. Edwards pointed out. "And in the Class B leagues it will be particularly rough."

CUBS AND REDS GIVING SCARE TO FAVORITES

By JACK HAND

(Associated Press Sports Writer)

Manager Phil Cavarretta is mixing a "Mickey" for the contenders who expect to fatten up on his Chicago Cubs.

Nobody gave the Cubs a tumble in the pre-season picks. One brave soul gave them fifth place. But 93 of the 124 baseball writers stuck them in the cellar, a position they may yet merit.

"I know we won't finish last again," said Manager Phil. Why not? The Cubs finished last three times in the past four years.

In the first week of the season the Cubs didn't go down to visit their old basement quarters once. With a 4-2 record they're traipsing along in a second-place tie with Cincinnati—of all people.

3-Hitter For Minner

The Brooklyn Dodger surplus, gleefully unloaded on the Cubs in the past few years, is doing a big share of the job. Paul Minner, Turk Lown, Bob Ramazzotti, Toby Atwell and the rest.

Minner threw a three-hitter at Pittsburgh last night for a 7-1 victory while the Cubs racked up Rookie Ronnie Kline and three successors. One of the hits off Minner was Jack Merson's second homer of the season.

The 20-year-old Kline got in trouble at the start by walking Ramazzotti. Before he got the side out, the Cubs had four runs. Minner's double and Ramazzotti's single chased Kline in the second. The Cubs added the rest off Forrest Main.

Bobby Thomson found the homer range for the first time since his dramatic pennant-clincher in the 1951 playoffs as the New York Giants walloped the Phillies, 10-4. Don Mueller also homered and added a triple and single to drive in four runs in the attack on loser Howie Fox and three other Phil pitchers. Jim Hearn was the winner.

Raschi Beats A's

League-leading Brooklyn was idle yesterday. So were the Boston Braves. St. Louis Cards and Cincinnati Reds.

The Cleveland Indians, with seven straight wins, were not scheduled in the American. St. Louis, Chicago and Detroit also were not scheduled.

Vic Raschi whipped the Philadelphia A's for the eighth straight time, running his lifetime record against them to 22-2, with the new York Yankees' 5-1 triumph. Actually the relief work of Bob Kuzava and two glaring errors by Gus Zernial and Joe Astroth were as important as Raschi's work.

Julio Moreno, fit and ready after a winter in the Cuban league, whipped the Boston Red Sox for the second time, 3-2. Moreno is the only pitcher to beat the Sox this season.

Eastern League To Open On Wednesday

Williamsport, Pa., April 22 (AP)—The eight-team Eastern League opens its 30th season tomorrow with Reading, Pa., renewing its membership in the Class A circuit.

Reading opens at home with Scranton in the city's second return to the loop in 17 years. The team is a farm club for the Cleveland Indians which transferred its Wilkes-Barre, Pa., franchise to Reading after the 1951 season ended.

Other opening games are Albany at Hartford, Binghamton at Schenectady and Elmira at Williamsport.

President Tommy Richardson already has predicted that the pennant race in the Eastern league will be "a free-for-all scramble right down to the wire."

Reading's return to the league is marked by its use of a new \$650,000 stadium seating 8,000 fans.

CONVICTS WIN CHIEF DEMAND

Rahway, N. J., April 22 (AP)—Rebellious convicts at Rahway State prison won their chief demand—a probe of the state parole board—but held out today on the issue of disciplinary action after a flareup in their five-day mutiny.

A prison official said a "slight amount" of tear gas was used last night on the 231 rebel prisoners who took over a dormitory wing Thursday night and are holding eight guards hostage.

R. William Lagay, superintendent of the prison farm, said the gas was used to quell a new disturbance by the rioting convicts.

The mutineers want no reprisals for their action and prison officials said they could not guarantee there would be no disciplining of the prisoners.

The agreement on the parole board investigation was the result of the first negotiations between the rioters and prison authorities since the revolt started.

When their demand for no reprisal action was not met, the convicts touched off a disturbance in the dormitory wing which spread to the south wing of the prison, not previously involved in the outbreak. The south wing was quieted within 45 minutes when threatened with gas, Lagay said. The rebels started a fire in the dormitory wing, which went out quickly.

WARRIORS TOP BUBBLES 5-4 FOR FIRST WIN

Gettysburg high school's baseball team registered its first victory of the season here Monday afternoon by defeating the Warriors 5-4 in the 11th inning after two were out.

With two men retired, George Hagerman gained first base on a single then Wayne Spence poked a hit over the center fielder's head which was good for three bases enabled Bender to race over the winning tally.

Each Howard Shoemaker's outfield hit the best hitting form of the season in blasting out 10 hits, three of which were secured by Clyde Hagerman, a single, double and

in Wertz, Warrior started, led the first five and two-thirds and then gave way to "Pisces" who finished and got it for the victory.

The Bubbles, Adams County champions, built up a 3-0 lead in the first three and one-half innings before the Warriors scored first run of the season.

In the last of the fourth Hankey and romped home on Cleveland's double. A pair of errors by Hagerman jammed the bases but a

The Warriors, who now have a 1-2 lead, play at Shippensburg Friday in the South Penn league game.

Sports Roundup

By WILL GRIMSLEY

New York, April 22 (AP)—Casual readers of the sports pages tend to regard George Weiss as a modern Croesus who sits astride a gold chest in the Yankees' plush Fifth avenue office and buys baseball pennants as the fancy strike him.

Actually the astute general manager of the world champions is a retiring, soft-spoken New Englander who insists, when prodded, that the Yankees' phenomenal success has been bought not by dollars but by hard work and pin-point organization.

"One of the biggest fallacies in baseball is that when one of our players wears out we simply go out and buy the best replacement possible," Weiss said yesterday as he relaxed in his lofty Yankee Stadium box.

"Did you know that between 1932 and 1948 we bought only two players? We paid Sam Francisco \$25,000 for Joe DiMaggio and about the same time we paid \$25,000 for a pitcher, Ruger Arzola, who never quite developed as we hoped.

"The men we've picked up since were principally as a defensive measure. First we got Johnny Mize from the Giants. The Red Sox wanted him. We got Johnny Hopp from the Pirates and John Cain from the Braves under similar circumstances.

"But you could hardly call these killer deals. These men have helped us, but they are veterans used only for part-time service. During the rest of the period we pulled men up from our own organization. If you tried to analyze the success of the Yanks, you'd have to start with our scouting system, the best. Then you'd have to take the careful, specialized training given the players in the minors to fit them into the Yankee pattern."

Scouts Valuable
Weiss, a 57-year-old native of New Haven, Conn., who couldn't make his high school team and who never played a minute of professional baseball, is credited with building the sprawling Yankee farm system, rated the best in the sport.

During his 20 years with the Yankees, the team has won 12 pennants and 11 world series. He is now working on his fourth straight championship.

"You have to credit the whole organization," Weiss said modestly. "Take scouts like Joe Devine and Bill Essick, who died last year. They sent us great talent—DiMaggio, Gerry Coleman, Gil McDougald and others."

CUBS AND REDS GIVING SCARE TO FAVORITES

By JACK HAND

(Associated Press Sports Writer)
Manager Phil Cavarretta is mixing a "Mickey" for the contenders who expect to fatten up on his Chicago Cubs.

Nobody gave the Cubs a tumble in the pre-season picks. One brave soul gave them fifth place. But 93 of the 124 baseball writers stuck them in the cellar, a position they may yet merit.

"I know we won't finish last again," said Manager Phil. Why not? The Cubs finished last three times in the past four years.

In the first week of the season the Cubs didn't go down to visit their old basement quarters once. With a 4-2 record they're tramping along in a second-place tie with Cincinnati—all of people.

3-Hitter For Minner
The Brooklyn Dodger surplus, gleefully unloaded on the Cubs in the past few years, is doing a big share of the job. Paul Minner, Turk Lown, Bob Ramazotti, Toby Atwell and the rest.

Minner threw a three-hitter at Pittsburgh last night for a 7-1 victory while the Cubs racked up Rookie Ronnie Kline and three successors. One of the hits off Minner was Jack Merson's second homer of the season.

The 20-year-old Kline got in trouble at the start by walking Ramazotti. Before he got the side out, the Cubs had four runs. Minner's double and Ramazotti's single chased Kline in the second. The Cubs added the rest off Forrest Main.

Bobby Thomson found the homer range for the first time since his dramatic pennant-clincher in the 1951 playoffs as the New York Giants walloped the Phillies, 10-4. Don Mueller also homered and added a triple and single to drive in four runs in the attack on loser Hovine Fox and three other Phil pitchers. Jim Hearn was the winner.

Raschi Beats A's
League-leading Brooklyn was idle yesterday. So were the Boston Braves, St. Louis Cards and Cincinnati Reds.

The Cleveland Indians, with seven straight wins, were not scheduled in the American. St. Louis, Chicago and Detroit also were not scheduled.

Vic Raschi whipped the Philadelphia A's for the eighth straight time, running his lifetime record against them to 22-2, with the new York Yankees' 5-1 triumph. Actually the relief work of Bob Kuzava and two glaring errors by Gus Zernial and Joe Astroth were as important as Raschi's work.

Julio Moreno, fit and ready after a winter in the Cuban league, whipped the Boston Red Sox for the second time, 3-2. Moreno is the only pitcher to beat the Sox this season.

Eastern League To Open On Wednesday
Williamsport, Pa., April 22 (AP)—The eight-team Eastern league opens its 30th season tomorrow with Reading, Pa., renewing its membership in the Class A circuit.

Reading opens at home with Scranton in the city's second return to the loop in 17 years. The team is a farm club for the Cleveland Indians which transferred its Wilkes-Barre, Pa., franchise to Reading after the 1951 season ended.

Other opening games are Albany at Hartford, Binghamton at Schenectady and Elmira at Williamsport.

President Tommy Richardson already has predicted that the pennant race in the Eastern league will be "a free-for-all scramble right down to the wire."

Reading's return to the league is marked by its use of a new \$650,000 stadium seating 8,000 fans.

CONVICTS WIN CHIEF DEMAND

Rahway, N. J., April 22 (AP)—Rebellious convicts at Rahway State prison won their chief demand—a probe of the state parole board—but held out today on the issue of disciplinary action after a flareup in their five-day mutiny.

A prison official said a "slight amount" of tear gas was used last night on the 231 rebel prisoners who took over a dormitory wing Thursday night and are holding eight guards hostage.

R. William Lagay, superintendent of the prison farm, said the gas was used to quell a new disturbance by the rioting convicts.

The mutineers want no reprisals for their action and prison officials said they could not guarantee there would be no disciplining of the prisoners.

The agreement on the parole board investigation was the result of the first negotiations between the rioters and prison authorities since the revolt started.

When their demand for no reprisal action was not met, the convicts touched off a disturbance in the dormitory wing which spread to the south wing of the prison, not previously involved in the outbreak. The south wing was quieted within 45 minutes when threatened with gas, Lagay said. The rebels started a fire in the dormitory wing, which went out quickly.

Sues To Block Dead Son's Insurance Plan
Chicago, April 22 (AP)—A father of a soldier son killed in Korea has started court action to halt payment of \$5,000 of his son's government insurance to an army sergeant.

Frederic W. Ballentine of Montreal, Canada, in a suit filed in federal court yesterday, said one-half of his son's insurance was left to him and one-half to Robert Fouts, 22, of East Liverpool, O. The suit described Fouts as a gambling companion of Ballentine's son, Frederic D.

Fouts, 22, is in officers candidate school at Fort Benning, Ga. His mother, Mrs. Mae Fouts, 45, said her son had been a close friend of

day. Joyous homecoming celebrations were the order of the day for most of the Pennsylvania guardsmen, fresh from their tour of duty in Germany.

Wireless Telegraphy in Gettysburg: Henry W. Stewart and Charles W. Myers, operator of the Western Maryland depot, have completed an installation of wireless telegraphy between the Western Union telegraph office and Dr. Stewart's office on Baltimore Hill. The Dr. has erected on his premises a pole 87 feet high which is used for the aerial wire at that end, whilst at the telegraph office a wire runs to the top of the cupola which serves the same purpose. The instruments were made by Messrs. Stewart and Myers and work perfectly. The ingenious gentlemen are certainly to be congratulated on completing this wonderful work which today is one of the marvelous things of the twentieth century.

Today's Talk
By GEORGE MATTHEW ADAMS
NEST WHERE YOUR JOY ABIDES

How prone we are to dodge the joys of life that skirt our very footfalls! Stevenson, in his delightful essay, "The Lantern Bearer," stated that "the ground of a man's joy is often hard to hit. It may hinge at times upon a mere accessory, like the lantern; it may reside, like Dancer's, in the mysterious inwards of psychology."

The place to nest for happiness is where your joy is at its utmost, and where it blots out all other immediate calls. It is where you are most lost to yourself. The fisherman, the hobbyist, the collector of things beautiful, know what I mean in a manner that needs no explanation.

Completely divorced from all worry and needless trifles and troubles—like the small boy flying his kite, or the chap with his ball and bat upon the sand lot—if where you have chosen to nest your interests brings you joy, that is where you should erect your heaven!

I was greatly interested in recently reading a most absorbing little book called "The Outermost House," by Henry Beston who built himself a little cottage on the dunes of Cape Cod and there resided for an entire year—just for the fun of it, and to satisfy his urge for a year of pure adventure.

That which contributes most to your mental, physical and spiritual happiness is the thing that stimulates you most and gives to you the greatest satisfaction, no matter how small or great the cost, in effort. We ought to do more things just for the pure pleasure of doing them. Admiral Peary once wrote me that this was what drove him to the discovery of the North Pole.

Also this is what inspired Thomas Gataker "in his extreme old age, in the quiet rectory at Rotherhithe," to translate a new edition of Marcus Aurelius, as "his best preparation for approaching death." Thereby did this great scholar add to the joy of us all who have been so inspired by this noble and beloved emperor.

Tomorrow Mr. Adams will talk on the subject: "The Upward Trend."

THE MORE
We think it much we've done each day
But with the setting sun
Too late we know along the way
That more we could have done.

The little splendors we have won
We look upon with pride
But know much more we could have done
If only we had tried.

We never reach our farthest goal
Nor all we hope for gain.
We count the little, but the whole
Unfinished must remain.

We do our best, or so we boast,
But when our course is run
This one regret stays uppermost
That more we might have done.

Chorus At Shippensburg

An appreciative audience of several hundred persons, including students at the Shippensburg State Teachers college and residents of Shippensburg and surrounding area, attended the concert presented by the Littlestown Men's chorus in the newly constructed Memorial auditorium on the college campus on Sunday evening. The concert was sponsored by the college Christian Inter-Faith association and Jack Myers, president of the association, introduced the chorus to the audience. James Motter, vice president of the association and a former member of the chorus, sang a solo part. The Men's chorus was assisted by the Women's chorus in three selections on the widely varied program. During intermission, duets were sung by Stewart Long and Patsy Crouse. The final selection was a medley from Jerome Kern's "Showboat," followed with an encore. The chorus was under the direction of L. Robert Snyder, with Elizabeth Sell and Perree LePere as piano accompanists. Thirty comprised the group which made the trip to Shippensburg by bus.

The Men's chorus will meet for rehearsal on Thursday evening at 9 o'clock in the Sunday school room at St. Paul's Lutheran church. EXPECT LIGHT VOTE IN STATE

Philadelphia, April 23 (AP)—The lack of state-wide contests and the probability of a cloudy day were the factors lined up against a heavy vote as the polls opened at 7 a.m. today for voting in the Pennsylvania primary.

Top contest from a purely state-wide viewpoint was the one involving U. S. Sen. Edward Martin, seeking renomination to his second term. He is opposed by James P. Scoblick, former commissioner from Lackawanna county, and Steel Clark, former commissioner of Indiana county.

Martin is expected to win handily. Clark was an unsuccessful candidate for the GOP nomination for lieutenant governor two years ago, while Scoblick has never sought a statewide office before. Also at stake are nominations for one judge of the state Supreme court, state treasurer and auditor general.

The congressional seats of the entire Pennsylvania delegation are up for bid — a total of 30, as well as 25 seats in the state Senate, and all 208 seats in the Assembly.

Estimates of the expected vote ran from 15 to 35 percent of the total registered — 2,860,137 Republicans and 1,855,487 Democrats. If the vote reaches the higher estimate, the political experts say it will be because of the presidential preference contest.

In that presidential race, Republican voters found the names of Gen. Dwight D. Eisenhower and Harold E. Stassen on the ballot. No names were printed on the Democratic forms, but all voters were free to write in the name of the candidate of their choice.

BRITONS CHANGE TIME
London, April 22 (AP)—Britons have set their clocks ahead one hour for the summer.

The change, which went into effect on Sunday, puts the time in England six hours ahead of Eastern Standard Time in the United States, instead of five. English time is now the same as in France, Italy and Germany. They made no summer change.

At 6 o'clock at the church, during which time the topic for discussion will be "Doubt Your Doubts."

A covered dish supper will be held in conjunction with the April meeting of the Ladies' Bible class of St. James Reformed church, along the Harney road, on Wednesday evening at 6:30 o'clock in the parish hall. Each class member is requested to bring a covered dish for the supper and make a contribution of 50 cents. Members of the class and congregation and other guests are invited to attend.

Mr. and Mrs. Albert H. Miller, Jr., and children, Barbe, Albert, III, and Shelley, East King street, accompanied by Mrs. Miller's parents, Mr. and Mrs. John E. Bolden, Hanover, visited with Mr. and Mrs. Monroe Gobrecht and family, Landisburg, on Sunday. On Friday, Miss Naney Martin, Hanover, was a guest at the home of her uncle and aunt, Mr. and Mrs. Albert H. Miller, Jr., and family.

QUIET PRIMARY. IN NEW YORK

Albany, N. Y., April 22 (AP)—New Yorkers voted today in a quiet primary that is little more than a stepping stone in Gov. Dewey's sustained drive to deliver 96 votes to Gen. Dwight D. Eisenhower at the Republican national convention.

Dewey's spokesman, William L. Pfeiffer, state GOP chairman, has insisted that all of New York's votes, the greatest number of any state, will be cast for Eisenhower. Sen. Robert A. Taft has claimed 20 of the 96 delegates.

The final result in Chicago next July, probably somewhere between the two claims, will prove the extent of Dewey's control over the state Republican organization. There is considerable Taft support, especially in rural upstate counties. No other candidate has important strength.

Although elected delegates will be unpledged, Dewey's leadership and Taft-Eisenhower sentiment will be put to scattered tests today.

Of 11 Republican contests, only a handful loom as possible barometers. One—on Staten Island and in part of lower Manhattan and a part of Staten Island—shapes as a clear-cut fight between two avowed Taft supporters and two Eisenhower men. In Erie county (Buffalo), five Eisenhower backers are opposing a six-man slate offered by county chairman Harry J. Forehead, a Taft man, who has been feuding with Dewey.

SENATE SLAPS TRUMAN ON HIS STEEL ACTION

Washington, April 22 (AP)—Government and industry men were called into separate Senate committee sessions today as the Senate itself scheduled a vote on a new move to bar President Truman from making his seizure of the steel mills stick.

By a roll call vote of 44 to 31, the Senate late yesterday aimed a slap at Truman's seizure order. After rounds of bitter debate, it hooked onto a 960-million-dollar appropriation bill an amendment proposed by Sen. Ferguson (R-Mich.), forbidding use of any of the money to carry out the order.

Actually none of this money is needed to enforce the seizure, but Sen. Bridges (R-N.H.), the GOP floor leader, said it was a gesture of Senate disapproval.

Cross Party Lines

Eleven Democrats joined 33 Republicans in the vote. Two Republicans, Morse of Oregon and Langer of North Dakota, sided with 29 Democrats in opposing it.

Sen. Knowland (R-Calif.) announced he would press for a vote this afternoon on a companion amendment so tough, he said, it would make it impossible for the President to enforce the seizure order.

Knowland's amendment seeks to forbid the use of any government money, regardless of the source, to operate the steel plants, or to seize or operate any others without specific congressional approval.

Sen. Humphrey (D-Minn.) and other administration leaders expressed confidence that they could block the Knowland amendment. The Senate Banking committee, called the "Big Four" of the defense mobilization and wage-price control program to a closed-door meeting. Committee leaders said the meeting might spark a new drive to hobble the President's disputed powers to seize any strike-threatened plants.

FIFTY YEARS AGO

Wireless Telegraphy in Gettysburg: Henry W. Stewart and Charles W. Myers, operator of the Western Maryland depot, have completed an installation of wireless telegraphy between the Western Union telegraph office and Dr. Stewart's office on Baltimore Hill. The Dr. has erected on his premises a pole 87 feet high which is used for the aerial wire at that end, whilst at the telegraph office a wire runs to the top of the cupola which serves the same purpose. The instruments were made by Messrs. Stewart and Myers and work perfectly. The ingenious gentlemen are certainly to be congratulated on completing this wonderful work which today is one of the marvelous things of the twentieth century.

Ground Broken for Furniture Factory: A force of hands was put to work Monday morning under the supervision of John M. Warner, digging the foundation for the new furniture factory. The factory will be located along Wolf and Railroad streets on lot purchased from Milton Wolf.

The building will front on Wolf street, 120 feet, running back 82 feet on the York street side, while the rear of the building will be 62 feet, making it an L-shape. . . . A switch will be put down on the North side. It is expected to have the building completed in 30 days.

Marriages: Sanders-Beard—April 15th, at Fairfield, by Rev. James P. McDermott, Samuel H. Sanders, of Liberty township, to Catharine A. Beard, of Hamilton township.

Steinour-Wilson—April 16th, at Arendtsburg, by Rev. D. T. Koser, Samuel E. Steinour to Miss Zora B. Wilson, both of Butler township.

Hale-Wolf—April 12th in Tyrone township, by Rev. H. W. Bender, Claud M. Hale, of Lisbon, Cumberland county, to Miss Loran B. Wolf, of Tyrone township.

Local Miscellany: Strawberries are becoming more plentiful in our market, but the prices still make the fruit a luxury.

Barefooted boys and straw hats are signs of warm weather.

The first "Little German Band" of the season made its appearance on our streets this week and enlivened the town with excellent music.

Susquehanna shad are now on the market. Our live fish dealer, Geo. W. Myers, is daily receiving fine lots of the "finnie tribe."

The trolley road was put in operation Sunday for the first time this season. Two cars were run during the day and quite a number of people took in the Round Tops.

Chas. S. Duncan, Esq., has improved the room occupied by S. J. Bumbaugh as a new stand, S.E. corner of Diamond, by putting in a bay window.

The large grey horse used by Jacob Slonaker to deliver oil for the Standard Company, died from colic Monday evening.

Coming Entertainment: The pupils of the Gettysburg High School are arranging an entertainment to be given Friday evening, May 2, in the assembly room. An exceptionally good program is being arranged. One of the leading features will be a drama with musical specialties, entitled "The Old Fashioned Husking Bee," thirty-five in the cast.

The following are in the cast: Paul Basehor, George Crouse, John Tate, Samuel Bruner, Clair Sweney, Morris Weaver, Charles Lewars, Joseph Dickson, Donald Hake, Ross McAllister, Paul Rupp, Lula Little, Margie Lott, Eva Holtzworth, Mabel Kitzmiller, Alma Sheads.

Today's Talk

By GEORGE MATTHEW ADAMS

NEST WHERE YOUR JOY ABIDES

How prone we are to dodge the joys of life that skirt our very footsteps! Stevenson, in his delightful essay, "The Lantern Bearer," stated that "the ground of a man's joy is often hard to hit. It may hinge at times upon a mere accessory, like the lantern; it may reside, like Dancer's, in the mysterious inwards of psychology."

The place to nest for happiness is where your joy is at its utmost, and where it blots out all other immediate calls. It is where you are most lost to yourself. The fisherman, the hobbyist, the collector of things beautiful, know what I mean in a manner that needs no explanation.

Completely divorced from all worry and needless trifles and troubles—like the small boy flying his kite, or the chap with his ball and bat upon the sand lot—if where you have chosen to nest your interests brings you joy, that is where you should erect your heaven!

I was greatly interested in recently reading a most absorbing little book called "The Outermost House," by Henry Beston who built himself a little cottage on the dunes of Cape Cod and there resided for an entire year—just for the fun of it, and to satisfy his urge for a year of pure adventure.

That which contributes most to your mental, physical and spiritual happiness is the thing that stimulates you most and gives to you the greatest satisfaction, no matter how small or great the cost, in effort. We ought to do more things just for the pure pleasure of doing them. Admiral Peary once wrote me that this was what drove him to the discovery of the North Pole.

Also this is what inspired Thomas Gataker "in his extreme old age, in the quiet rectory at Rotherhithe," to translate a new edition of Marcus Aurelius, as "his best preparation for approaching death." Thereby did this great scholar add to the joy of us all who have been so inspired by this noble and beloved emperor.

Tomorrow Mr. Adams will talk on the subject: "The Upward Trend."

THE MORE

We think it much we've done each day

But with the setting sun
Too late we know along the way
That more we could have done.

The little splendors we have won
We look upon with pride
But know much more we could have done

If only we had tried.

We never reach our farthest goal
Nor all we hope for gain.
We count the little, but the whole
Unfinished must remain.

We do our best, or so we boast,
But when our course is run
This one regret stays uppermost
That more we might have done.

Chorus At Shippensburg
An appreciative audience of several hundred persons, including students at the Shippensburg State Teachers college and residents of Shippensburg and surrounding area, attended the concert presented by the Littlestown Men's chorus in the newly constructed Memorial auditorium on the college campus on Sunday evening. The concert was sponsored by the college Christian Inter-Faith association and Jack Myers, president of the association, introduced the chorus to the audience. James Motter, vice president of the association and a former member of the chorus, sang a solo part. The Men's chorus was assisted by the Women's chorus in three selections on the widely varied program. During intermission, duets were sung by Stewart Long and Patsy Crouse. The final selection was a medley from Jerome Kern's "Showboat," followed with an encore. The chorus was under the direction of L. Robert Snyder, with Elizabeth Sell and Ferree LePevre as piano accompanists. Thirty comprised the group which made the trip to Shippensburg by bus.

The Men's chorus will meet for rehearsal on Thursday evening at 9 o'clock in the Sunday school room at St. Paul's Lutheran church. This will be the final rehearsal in preparation for the appearance at the College Choral Festival in the gymnasium of Mt. St. Mary's college, Emmitsburg, on Thursday, May 1, at 8:30 p.m. The chorus will be the only non-collegiate group participating in the program, which will include vocal organizations from five colleges.

The Ever Welling class of St. John's Lutheran church was in charge of arranging the program for the Sunday school hour in Sunday morning. Mrs. David Erb, a member of the class, presided. Instrumental selections were presented by Kenneth and David Reifsmider, accompanied on the piano by their mother. In cooperation with the annual teacher exchange of the Third District Sunday school association, Samuel H. Highinbotham, superintendent of the Adult department of Redeemer's Reformed Sunday school, taught the lesson in St. John's Adult department.

Ran Out Of Food
Two hundred and forty roast chicken suppers were served in Saturday afternoon in the social hall of St. John's Lutheran church. The suppers were served by the Brotherhood of the church. There was not a sufficient amount of food to serve all those who called for meals and regrets have been extended by the Brotherhood.

George H. Ditlow, a member of the faculty of the Littlestown Junior Senior high school, was the guest speaker at the meeting of the Christian Endeavor society of St. John's church on Sunday evening. Mr. Ditlow discussed "Faith in Power." The meeting opened with a song service with Nancy Trump as pianist. The Scripture lesson was read by Joanne Selby, leader for the evening. Prayer was offered by the pastor, the Rev. William C. Karns. The meeting closed with the C. E. benediction repeated in unison. Ann Karns was selected to be the leader for the meeting next Sunday evening.

EXPECT LIGHT VOTE IN STATE

Philadelphia, April 23 (AP)—The lack of state-wide contests and the probability of a cloudy day were the factors lined up against a heavy vote as the polls opened at 7 a.m. today for voting in the Pennsylvania primary.

Top contest from a purely statewide viewpoint was the one involving U. S. Sen. Edward Martin, seeking renomination to his second term. He is opposed by James P. Scoblick, former commissioner from Lackawanna county, and Steel Clark, former commissioner of Indiana county.

Martin is expected to win handily. Clark was an unsuccessful candidate for the GOP nomination for lieutenant governor two years ago, while Scoblick has never sought a statewide office before. Also at stake are nominations for one judge of the state supreme court, state treasurer and auditor general.

The congressional seats of the entire Pennsylvania delegation are up for bid—a total of 30, as well as 25 seats in the state Senate, and all 208 seats in the Assembly.

Estimates of the expected vote ran from 15 to 35 percent of the total registered—2,860,137 Republicans and 1,855,487 Democrats. If the vote reaches the higher estimate, the political experts say it will be because of the presidential preference contest.

In that presidential race, Republican voters found the names of Gen. Dwight D. Eisenhower and Harold E. Stassen on the ballot. No names were printed on the Democratic forms, but all voters were free to write in the name of the candidate of their choice.

BRITONS CHANGE TIME
London, April 22 (AP)—Britons have set their clocks ahead one hour for the summer.

The change, which went into effect on Sunday, puts the time in England six hours ahead of Eastern Standard Time in the United States, instead of five. English time is now the same as in France, Italy and Germany. They made no summer change.

QUIET PRIMARY IN NEW YORK

Albany, N. Y., April 22 (AP)—New Yorkers voted today in a quiet primary that is little more than a stepping stone in Gov. Dewey's sustained drive to deliver 96 votes to Gen. Dwight D. Eisenhower at the Republican national convention.

Dewey's spokesman, William L. Pfeiffer, state GOP chairman, has insisted that all of New York's votes, the greatest number of any state, will be cast for Eisenhower. Sen. Robert A. Taft has claimed 20 of the 96 delegates.

The final result in Chicago next July, probably somewhere between the two claims, will prove the extent of Dewey's control over the state Republican organization. There is considerable Taft support, especially in rural upstate counties. No other candidate has important strength.

Although elected delegates will be unpledged, Dewey's leadership and Taft-Eisenhower sentiment will be put to scattered tests today.

Of 11 Republican contests, only a handful loom as possible barometers. One—on Staten Island and in part of lower Manhattan and a part of Staten Island—shapes as a clear-cut fight between two avowed Taft supporters and two Eisenhower men. In Erie county (Buffalo), five Eisenhower backers are opposing a six-man slate offered by county chairman Harry J. Forehead, a Taft man, who has been feuding with Dewey.

KILLED IN CAR

Steelton, Pa., April 22 (AP)—Two automobiles burst into flames after colliding here on Sunday killing two men. The victims were identified as

William Moholleg, 18, and William McCulland, 39, both of Philadelphia. Police Lt. Peter Mesario said their car had stopped along the road when it was struck in the rear by another vehicle.

Thorne, Eng., April 22 (AP)—The Royal Humane society awarded its heroism medal today to a fisher-

man who saved the life of a three-year-old boy by hooking onto his clothes and reeling him in.

Fisherman John Wood couldn't swim. But last October, when little Erroll Mountcastle fell into the water, Wood cast his hook with bullseye accuracy, snagged the boy's clothing and nonchalantly reeled him ashore.

There are about 40,000 different kinds of fishes now known.

FOUR KILLED BY RACING CAR

Dayton, O., April 22 (AP)—A racing car spun crazily out of control into the Dayton Speedway grandstand on Sunday.

When it came to rest, four persons were dead — including the driver, Gordon Reid, 29, of Burbank, Calif., and at least 30 spectators were hurt.

It was one of the worst accidents on American tracks since 1929, when four persons were killed and 20 hurt at Winchester, Ind.

The crash lopped off Reid's head. It also decapitated Mrs. Ruby Ellen Shaffer, 43, of Springfield. The other victims were Robert Thatcher, 22, a track guard, and Gene Lawson, 19, of Dayton.

Some among the 14,000 attending the opening AAA sprint car program at the speedway had narrow escapes.

"God must have been sitting there with me," said Herman Cottrell, 40, a spectator. "I saw him leave the track. I turned and jumped as far as I could."

The Dayton man jumped clear of serious injury, but he was bruised when a wheel of the racer struck him.

"It happened so fast," said Philip Engle of Dayton, another spectator. "I saw him coming. I was standing in back of those who got it."

Reid had planned to drive the car in the 500 mile speed classic at Indianapolis May 30. He had been driving since the end of World War II, mostly in midget and "hot rod" competition.

See Vapor Trail Of "Mystery" Craft

London, Ont., April 22 (AP)—Widely-separated reports of an unidentified craft high in the skies, leaving a vapor trail and traveling at a speed estimated at more than 1,000 miles an hour, were received Sunday night from western Ontario points.

Canadian Air Force Reserve fighters here were ordered to intercept the mysterious craft. The pilots reported they could not come anywhere near the source of the vapor trail, although they pushed their planes to more than 450 miles an hour.

Air force officers said no high-speed, high-flying jet aircraft were aloft at the time. Transport department officials here also had no explanation.

Predicting Light Democratic Vote

Harrisburg, April 22 (AP)—A light Democratic vote in Tuesday's primary election is predicted by Philip Mathews, of Carlisle, Democratic organization primary campaign chairman.

Mathews said however that even with an expected small turnout, the four organization candidates ought to carry every county easily.

U. S. District Judge Guy K. Bard, of Ephrata, is the organization candidate for U. S. senator. Other organization candidates include:

Miss Genevieve Blatt, Pittsburgh, for auditor general; George M. Leader, York, state treasurer, and Judge Harry M. Montgomery, of Allegheny county, for justice of the state Supreme Court.

Graham Finds France, England Nearly Pagan

Chicago, April 22 (AP)—Evangelist Billy Graham, who returned recently from an European tour, says England and France are rapidly approaching pagan nations.

He said recently "only eight per cent of the English people are identified with a church and only three per cent go to church."

"Because of this paganism, Great Britain is in danger of being lost to the west to a kind of Marxist socialism," he said.

Graham was the final speaker today at the closing session of the National Association of Evangelicals convention.

Washington, April 22 (AP)—Brig. Gen. John H. Michaelis, combat veteran of World War Two and the war in Korea, has been named commandant of the cadets at the U.S. Military academy.

Michaelis was a lieutenant colonel when he assumed command of the Wolfhounds in July, 1950. Because of the manner he led his troops in the early Korean fighting he won a field promotion to colonel and was made a brigadier general in March, 1951, three months before he went to Europe. In World War II, Michaelis commanded the 502nd Paratroop Regiment. He later was chief of staff of the 191st Airborne Division during the Battle of the Bulge.

**MERCURY BEATS ALL COMERS
IN MOBILGAS ECONOMY RUN**
3 WINS IN 3 YEARS!
Lincoln Again Best in Class —
Runs Second in Sweepstakes
Mercury, the car that challenged them all, has done it again... won the grand Sweepstakes prize in this "world series" for automobiles.
And this isn't the first time! Just look at Mercury's three-year-in-a-row record: three out of three times winner in its price class; two out of three times Sweepstakes winner against all cars in every class! Look at Lincoln, too. Lincoln won Class G first prize, and provided Mercury's closest competition for top Sweepstakes honors.
The Mobilgas Economy Run is open to all cars of every make. Every car is a stock car, selected at random by the A.A.A. To assure an equal chance for all, regardless of size and weight, ton-miles-per-gallon performance* determines the winner.
A 1952 Mercury Monterey Special Custom Sedan with optional overdrive swept the field with 59,718 ton-miles-per gallon, averaging 25,409 miles per gallon. And the engine that did it is Mercury's famous V-8. The Lincoln Capri Sedan with Hydra-Matic transmission won its class prize with 58,985 ton-miles-per-gallon, averaging 22,356 miles per gallon.
That's something to think about when you buy a new car. Mercury, which for months has been challenging the industry to match it, has now proved its superiority for economy.
Right now, in our showroom, is a 1952 Mercury similar to the one that won this official, impartial test. Why not stop around and give it a try? No obligation, of course.
*Ton-miles-per-gallon equals the car weight (with passengers), multiplied by miles traveled, divided by gallons of gasoline used.

MERCURY BEATS ALL COMERS IN MOBILGAS ECONOMY RUN

3 WINS IN 3 YEARS!

Lincoln Again Best in Class — Runs Second in Sweepstakes

Mercury, the car that challenged them all, has done it again... won the grand Sweepstakes prize in this "world series" for automobiles.

And this isn't the first time! Just look at Mercury's three-year-in-a-row record: three out of three times winner in its price class; two out of three times Sweepstakes winner against all cars in every class! Look at Lincoln, too. Lincoln won Class G first prize, and provided Mercury's closest competition for top Sweepstakes honors.

The Mobilgas Economy Run is open to all cars of every make. Every car is a stock car, selected at random by the A.A.A. To assure an equal chance for all, regardless of size and

weight, ton-miles-per-gallon performance* determines the winner.

A 1952 Mercury Monterey Special Custom Sedan with optional overdrive swept the field with 59,718 ton-miles-per gallon, averaging 25,409 miles per gallon. And the engine that did it is Mercury's famous V-8. The Lincoln Capri Sedan with Hydra-Matic transmission won its class prize with 58,908 ton-miles-per gallon, averaging 22,362 miles per gallon.

That's something to think about when you buy a new car. Mercury, which for months has been challenging the industry to match it, has now proved its superiority to economy.

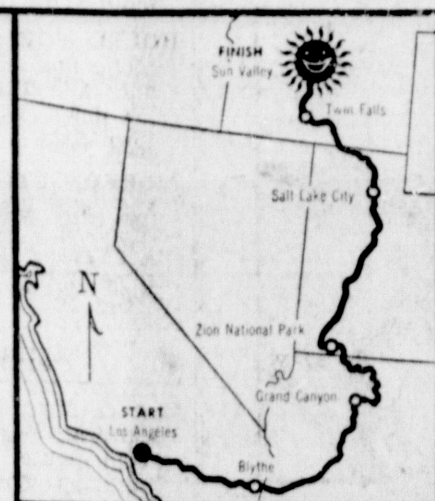

Right now, in our showroom, is a 1952 Mercury similar to the one that won this official, impartial test. Why not stop around and give it a try? No obligation, of course.

*Ton-miles-per-gallon equals the car weight (with passengers), multiplied by miles traveled, divided by gallons of gasoline used.

GRUELING
1,415 MILE
TEST

What a test to prove Mercury and Lincoln superiority! This year's Mobilgas Economy Run covers a 1,415-mile course—longest, toughest test in Mobilgas Economy Run history. Elevations range from below sea level to 8,010 feet above. Mercury out-performed all others to win both the grand Sweepstakes prize and Class C trophy. Lincoln won Class G and was Mercury's closest competition for top Sweepstakes honors.

Mrs. Rothenhofer suggested that the Red Cross ask The Gettysburg Times to "thank all the kind people who made our quota go over the top for the last two years."

Helped Soldier Brother

Richard, who is a second grade pupil of Mrs. Mildred Baldwin in the Benderville school, caught his enthusiasm for the Red Cross from his mother who remembers: "It was only the Red Cross that made it possible for my older son to get home from Camp Lee, Va., to be a pallbearer at his grandfather's funeral. And they gave him money when he was in Korea, helping him in ways that only a heartbroken Mother can know. Believe me there is no organization that stretches out its protecting and helpful arms as far and as wide as our own American Red Cross."

"May God so touch every adult heart so that they will give back through the Red Cross what has been destroyed through the disaster brought by floods and windstorms."

Richard is proud of a letter he received this week from Roland Kime, District 14 chairman, thanking him for "a job well done."

Reynolds, Littlestown. The Rev. James W. Moyer, president of the Mercersburg Synod, was the guest speaker for the occasion. Rev. Dr. Fox was designated to be the host for the rally next spring.

Paper By Rev. Frank

Rev. Mr. Rohrbaugh reported that a meeting in the interest of Evangelical and Reformed church brotherhood will be held Tuesday, April 23, at St. Paul's church, New Oxford. Each church of the classis is urged to have a representative at this meeting. The secretary, the Rev. Mr. Reynolds, presented his monthly report, and he also reported that a workshop for the children's teachers of the Reformed churches of this area will be held this Sunday at Redeemer's church, Mrs. Dewey Heberlig, Shippensburg, Synodical children's teacher worker, will be in charge. Afternoon and evening sessions will be held and a buffet style supper will be served in the evening by the hostess teachers. The children's teachers of this area are invited to attend.

The paper of the day was presented by the Rev. Mr. Prantz on the subject, "The Blue Book," which contains the reports of the officers and the boards of the Reformed church. These reports form the basis for the spring meeting of the Mercersburg Synod. The benediction was pronounced by the Rev. Dr. Fox. Light refreshments were served by the Rev. and Mrs. Jay to the following: Revs. Rohrbaugh, Leeming, Leister, Prantz, Fox, Yoder, Michael, Sykes, Reynolds, Dr. Dallas R. Krebs, Hanover; Charles B. Rebert, Littlestown, and A. Calvin Renoll, Hanover.

The next meeting of the classis will be held Monday, May 19, at 2 p.m. at the Hoffman orphanage, near Littlestown, with the Rev. Mr. Leeming as host. The paper will be presented by the Rev. Dr. Krebs on the subject, "Experiences Out of My Ministry."

QUAKES HELPED OIL

Oklahoma City, April 22 (AP)—Oilmen and geologists won't say for sure, but they believe the recent earthquakes gave Oklahoma oil production a shot in the arm.

Production, since the quakes, has increased about 3,000 barrels a day to over 531,000 barrels daily. The current theory is that the quake loosened formations, allowing the oil to flow to the surface more quickly.

4-H SQUARE DANCE

times to get a donation because we didn't want to miss anyone and were anxious to get every dollar we could. It is a miracle how the people responded."

Mrs. Rothenhoefer suggested that the Red Cross ask The Gettysburg Times to "thank all the kind people who made our quota go over the top for the last two years."

Helped Soldier Brother

Richard, who is a second grade pupil of Mrs. Mildred Baldwin in the Bendersville school, caught his enthusiasm for the Red Cross from his mother who remembers: "It was only the Red Cross that made it possible for my older son to get home from Camp Lee, Va., to be a pallbearer at his grandfather's funeral. And they gave him money when he was in Korea, helping him in ways that only a heartbroken mother can know. Believe me there is no organization that stretches out its protecting and helpful arms as far and as wide as our own American Red Cross."

"May God so touch every adult heart so that they will give back through the Red Cross what has been destroyed through the disaster brought by floods and windstorms."

Richard is proud of a letter he received this week from Roland Kime, District 14 chairman, thanking him for "a job well done."

QUAKES HELPED OIL

Oklahoma City, April 22 (AP)—Oilmen and geologists won't say for sure, but they believe the recent earthquakes gave Oklahoma oil production a shot in the arm.

Production, since the quakes, has increased about 3,000 barrels a day to over 531,000 barrels daily. The current theory is that the quake loosened formations, allowing the oil to flow to the surface more quickly.

Sentenced To Die As "American Devil"

Hong Kong, April 22 (AP)—A Catholic priest from Indiana said today Chinese Communists sentenced him to death at a mass trial on Easter Sunday and then paraded him out of China as an "American devil."

The Rev. Robert W. Greene, 41, from Jasper, Ind., said the trial climaxed 16 months of house arrest and a week of torture—all so unreal "it seems more like a bad dream, something that never happened."

Greene told newsmen it began in October, 1950, when guards surrounded his mission compound at Tung-an.

"In the next months," the priest said, "Communist soldiers destroyed our altar, ripped out the pews and used the church for political meetings."

Beard, Newark, N. J., spent Sunday with Mr. and Mrs. Ira Biesecker. Also with the Bieseckers were their son and daughter-in-law, Mr. and Mrs. Calvin Biesecker, and son, Charles, and Mrs. Effie Fissel, Hanover.
